

6. Guest Speaker – Daniel McMillan, M.Ed., Alberta Health Services

- Daniel is providing counselling services to Bragg Creek and local area.
- Daniel's office is in the Care in the Creek Medical Clinic: 3 days/week. It is free and confidential.
- Psychosocial Committee formed to facilitate communication and coordination between local health related services. One of the goals of the committee is to build the pillars of strength for the community.
- Identified the following as important after a disaster: 1) Social connectedness; 2) Problem solving; 3) Helpful thinking; and 4) Positive activities that bring joy to one's life.
